OFSI SANCTIONS CHECK

With effect from 14 May 2025, all letting agency work carried out, regardless of rental value, will be subject to financial sanctions regulations and, as such, Mather Jamie Ltd will be required to verify all named Landlords, Tenants and Guarantors to ensure that they are not a Designated Person or someone in breach of sanctions regulations.

To meet these requirements, we will carry out a full Anti-Money Laundering (AML) check on all companies and individuals relevant to a property letting. We should advise that, whilst this will not impact on your credit file, it will result in soft search showing that a check has taken place.

A facial recognition ID check will be carried out via an SMS text message through Landmark Agent.

IMPORTANT INFORMATION

All statements contained in these particulars are provided in good faith and are believed to be correct. The accuracy is not guaranteed nor do they form part of any contract or warranty. Prospective purchasers should note the following:

All dimensions, distances and floor areas are approximate and are given for guidance purposes only. Potential purchasers should satisfy themselves as to the validity of the figures given

Information on tenure/tenancies and possession is provided in good faith. We recommend prospective purchasers have this information verified by their solicitors prior to completion of any purchase/letting

Information relating to Town & country planning matters and the availability of services has been obtained by verbal enquiry only from the appropriate Local Authority

Mather Jamie do not warrant that there are no connection charges in the availability of services to the property and furthermore prospective purchasers/tenants should obtain written confirmation prior to entering into contract for purchase or lease from the relevant companies

We have not tested on services, central heating installations, plumbing installations or electrical installations and therefore the prospective purchaser/lessee should undertake independent investigations as to condition of all services and mechanical/engineering installations
