237.02 sq m (2,551 sq ft)

8 Bakewell Street, Coalville, Leics, LE67 3BA

DESCRIPTION

The property forms a detached office premises previously occupied by the Leicestershire Mining Association.

The property was extended circa 10 years ago to provide additional space. The ground floor comprises a kitchen, male/female WCs, a mixture of private and open plan office spaces plus a meeting room. The first floor comprises a private office/meeting space, a large open plan office space and an additional meeting room.

The property benefits from air conditioning in part, LED lighting in part and original features which add to the character of the property.

Externally there is a car park at the rear for parking for 15-16 cars and a building for external storage.

The total site area is approximately 0.2 acres.

The property has potential for conversion to residential accommodation and further development in the car park (STP).

PRICE

£450,000 (four hundred and fifty thousand pounds).

VAT

VAT will be charged on the sale price.

IMPORTANT INFORMATION

All statements contained in these particulars are provided in good faith and are believed to be correct. The accuracy is not guaranteed nor do they form part of any contract or warranty. Prospective purchasers should note the following:

All dimensions, distances and floor areas are approximate and are given for guidance purposes only. Potential purchasers should satisfy themselves as to the validity of the figures given

Information on tenure/tenancies and possession is provided in good faith. We recommend prospective purchasers have this information verified by their solicitors prior to completion of any purchase/letting

Information relating to Town & country planning matters and the availability of services has been obtained by verbal enquiry only from the appropriate Local Authority

Mather Jamie do not warrant that there are no connection charges in the availability of services to the property and furthermore prospective purchasers/tenants should obtain written confirmation prior to entering into contract for purchase or lease from the relevant companies

We have not tested on services, central heating installations, plumbing installations or electrical installations and therefore the prospective purchaser/lessee should undertake independent investigations as to condition of all services and mechanical/engineering installations
